

The Phone Ban Solution

Built to Last 3+ Years.

The **NuKase 4.0** — featuring a frosted finish to reduce screen visibility, a pick-proof magnetic lock bar no student can defeat, and a full 3-year warranty. Engineered exclusively for multi-year K-12 deployment - durable, hygienic, and effortless to manage. See it for yourself

- One-time purchase - no subscriptions, no annual renewal fees
- Students keep their phone - eliminates storage liability for your school
- 95%+ compliance rates reported across 40+ deployed districts
- Frosted design confirms phone is inside without exposing the screen

FROSTED FRONT & BACK

Privacy-forward design confirms the phone is inside without exposing screen content. Builds teacher trust and parent confidence from day one.

PICK-PROOF LOCK BAR

Reinforced magnetic lock bar cannot be bypassed with pins, tools, or student ingenuity. When it's locked - it stays locked, all day.

3-YEAR WARRANTY

The only lockable phone case backed by a full 3-year warranty. Budget once and stay protected through your entire deployment cycle.

BUILT FOR YOUR SCHOOL - DAY ONE AND YEAR THREE
